Alpena, Michigan, March 7, 2018 – Alpena Alcona Area Credit Union (AAACU) recently participated in Technology Night held at Alcona Community Schools.

Technology Night, hosted by the school, allowed parents and their students the opportunity to see what forms of technology the school is using to help enhance the learning process and better educate the students.

AAACU team members were on hand during the event with Chromebooks showing those in attendance how to access the Dollar Dog Kids Club located on the credit union's website, which provides fun educational activities for youth. Team members also highlighted products and services AAACU has to offer, along with those that are accessible via a mobile device. At the end of the event, AAACU then donated the Chromebooks to Alcona Community Schools to continue to provide students with the opportunity to access the educational resources available on our website.

AAACU serves members primarily in Alpena, Alcona, Montmorency, and Iosco counties with 8 locations: a main office located in Alpena, with branch offices in Ossineke, Lincoln, a Tiger Branch in Alcona Community Schools, Atlanta, Oscoda, Tawas, and an additional branch in Alpena. As of January 31, 2018, AAACU provides service to 28,465 members with total assets equal to \$324,031,274.
