Alpena Alcona Area Credit Union Donates $250 to the Kim Monthei Cancer Fund

Cheboygan, MI—Alpena Alcona Area Credit Union (AAACU) recently donated $250 to the Kim Monthei Cancer Fund at McLaren Northern Michigan Foundation. These funds honor the memory of Kim Monthei, a beloved Indian River resident, teacher, wife, and mother who lost her life to breast cancer. All gifts to this fund support Cheboygan County residents with transportation, lodging, mammography scholarships, and even purchasing new equipment for breast cancer detection. AAACU is proud to support this fund that provides critical assistance to those diagnosed with breast cancer.

This donation is made possible by the credit union's Community Investment Fund. These funds are comprised of dollars donated back into our communities thanks to credit union members who choose to receive their monthly statements electronically. The credit union pledges to donate $9.00 annually for each of these e-statements accounts. In 2026, AAACU will donate up to $320,406.00 back into the communities they serve.

AAACU is a state-chartered credit union with membership eligibility open to any resident in the state of Michigan. As of September 30, 2026, AAACU provides service to 50,896 members with total assets equal to $999,287,904.
