### **Alpena Alcona Area Credit Union Hosts Financial Reality Fair for Oscoda Students**

*Oscoda, MI*—Alpena Alcona Area Credit Union (AAACU) in partnership with the Michigan Credit Union Foundation (MCUF) recently facilitated a Financial Reality Fair with Oscoda Schools for all local seventh grade students.

Financial Reality Fairs allow students to engage in a hypothetical financial reality with an assigned career and salary. Students then must rotate through stations to learn how to make real-life financial decisions about vehicles, home ownership, leisure items and more. This exercise allows students the opportunity to learn about needs versus wants and how to prioritize their spending and build a budget.

AAACU is delighted to provide this interactive hands-on experience for students to help prepare them for a brighter financial future.

*AAACU is a state-chartered credit union with membership eligibility open to any resident in the state of Michigan. As of December 31, 2025, AAACU provides service to 49,171 members with total assets equal to \$930,815,734.*
